Resource Center-Atlanta

Exit

General Session I

- Conference Introduction – **Mr. John Dade**,
Kentucky Transportation Cabinet
- Asset Management- What's it All About? -
Mr. Hal Kassoff, Parsons Brinckerhoff Limited
- Pavement Management & Pavement Design in
the 21st Century – **Ronald Hudson PhD.**,
Texas Research and Development Incorporated
- Current Innovations in Pavement Management
& Design – **Amir Hanna, PhD.**, NCHRP

General Session II

- The Perfect Storm - **Mr. Frank Botelho**,
FHWA Office of Asset Management
- Update on Rolling Wheel Deflectometer -
Jim Hall, PhD.,
ERES Consultants, Division of ARA Inc.
- Smoothness Issues – **Mr. Mark Swanlund**,
FHWA Office of Pavement Technology

General Session II

(continues)

- Innovative Contracting Experiences for Pavement Projects - **Mr. Gerald Yakowenko**,
FHWA Office of Program Administration
- Update on NCHRP 1-37A (2002 Pavement Design Guide)- **Mr. Gary Sharpe**,
Kentucky Transportation Cabinet

Pavement Design

- Long Life Pavements with Asphalt – **Marshall Thompson, PhD.**, University of Illinois
- Long Life Pavements with Portland Cement Concrete Pavements – **Mr. Jerry Voight**, ACPA
- Development and Implementation of Long Life Pavement Design – **Mr. Rick May**, KOCH Materials
- Missouri's Experience with Developing a Pavement Type Selection Process, **Mr. Dave Nichols**, Missouri DOT

Pavement Design

- Overview of Pavement Warranty Applications –
Mr. Brian McWaters, KOCH Materials
- Kentucky's Experience with Pavement
Warranties, Bidding Alternate Pavement Design
and Long Life Pavements, Past, Present and
Future –
Messrs. Clark Graves and Paul Looney,
Kentucky Transportation Cabinet

Pavement Management

- Pavement Preservation – **Mr. Luis Rodriguez**,
FHWA Resource Center
- Practical Examples of Combining Maintenance and Rehabilitation Activities in a PMS Analysis –
Mr. Robert Piane, Deighton Associates Limited
- Pavement Preservation and PMS – **Mr. Joe Kindler**,
KMS & Associates, LTD.
- PMS Data for Evaluation of Superpave and Other Innovations - **Ronald Hudson, PhD.**,
Texas Research and Development Incorporated
- Integration of PMS and MMS, a Case Study -
Mr. Jon Wilcoxson, KYTC

Pavement Management

- Profile Viewer Software ProVal – **Mr. Mark Swanlund**, FHWA Office of Pavement Technology
- Pavement Profiler Specifications Pool Fund Research Study – **Mr. Robert Orthmeyer**, FHWA Resource Center
- Integration of Preventive Maintenance in Pavement Management – **Mrs. Katie Zimmerman**, Applied Pavement Technology, Inc.
- Network Level PMS and Project Selection – **Mr. Jonathan L. Groeger**, Axiom Decision Systems Inc.

Closing Session

- Pavement Design Status of LTPP and It's Benefits to the States – **Mr. Jack Springer**,
FHWA Office of Research, Development and Technology
- Report from PMS Breakout Session – **Mr. Chad Shive**,
Kentucky Transportation Cabinet
- Pavement Subsurface Drainage State of the Practice –
Mr. Robert Baumgardner,
FHWA Office of Pavement Technology
- Report from the Pavement Design Breakout Session-
Mr. Clark Graves, Kentucky Transportation Cabinet
